Hi Carol,

Hope all's well. I wanted to follow up on the "opt out" proposal that is being considered as part of the Street Vending ordinance that was approved by Council. Needless to say, we are very much interested in how this is moving forward (hopefully) and what we can do to assist in these efforts.

I spoke with Donald Duckworth and he mentioned that there was a committee that was working on this and suggested I follow up with you, and Marie Rumsey. I had emailed Marie a couple of times but had not heard back so I thought I would reach out to you.

Any information you can provide would be most appreciated, and of course, anything we can do to assist in your efforts, please know we are here to help.

Many thanks again for all your hard work on behalf of all of us.

Very best,  
Susan
